

RANZCOG Practice Visit 2014 - survey for Visitors

Thank you for participating in the RANZCOG 2014 Practice Visit programme. The time and collegial support you have given during the process is greatly appreciated by both the College and the Fellows that you visited.

Please complete this brief survey which allows us to evaluate the programme and make improvements.

The practice visit process is a protected quality assurance activity under a formal notice obtained by RANZCOG. This means that all information provided in these surveys is strictly confidential.

Visitor Survey

How useful were the following tools in reviewing the Visitee's practice?
